

MMM GEOMATICS LIMITED is a successful, recognized and growing geomatics firm that provides surveying, imaging, GIS and mapping services to the construction, municipal, and oil field industries and the public sector throughout Canada.

We invite you to attend our open information sessions on Tuesday November 18, 2010:

Presentation: E11 11:30–12:30

Interviews: E52 (sign up sheets in the main office). Time slots are available for the afternoon of Nov 18 and all day Nov 19.

Information session to be followed by an open reception at the Beaverbrook Hotel, St. Croix Room, at 6:00 pm. All interested persons invited.

We welcome Geomatic Engineers, second, third year and graduating students to bring their resumes to the above sessions, or submit them in advance to mcarthurd@mmm.ca and pre-schedule interview times. Interested parties can also view our website at www.mmm.ca
